9. Regarding ordinary resolutions, a cumulative voting system will be adopted. "Cumulative voting system" refers to a system where each of the shares held by a shareholder shall carry the same number of voting rights as the number of director candidates; when the Board or a qualified shareholder separately proposes the director candidates, the number of voting rights carried by each share shall be calculated as per the number of non-repetitive director candidates. In casting his/her/its votes for the director candidates, a shareholder may exercise his/her/its voting rights by allocating his/her/its voting rights evenly and cast for each director candidate the same number of voting rights as the shares he/she/it holds; or he/she/it may focus on one particular director candidate and cast for that candidate all the voting rights represented by all of his/her/its shares multiplied by the number of director candidates; or he/she/it may allocate his/her/its voting rights over several director candidates and cast for each of them part of the voting rights represented by all of his/her/its shares multiplied by the number of director candidates.

Upon the exercise of his/her/its voting rights by focusing all the voting rights represented by all of his/her/its shares multiplied by the number of director candidates on one or several of the director candidates, a shareholder shall not have any right to vote for any other director candidates. If the total number of voting rights centrally exercised by a shareholder on one or several of the director candidates exceeds the number of voting rights represented by all the shares held by him/her/it, the voting by such shareholder shall be invalid and the shareholder shall be deemed to have abstained from voting; if the total number of voting rights centrally exercised by a shareholder on one or several of the director candidates is less than the number of voting rights represented by all the shares held by him/her/it, the voting by such shareholder shall be valid and the remaining voting rights held by such shareholder shall be deemed to be waived. A Shareholder only needs to fill in the number of votes in the box marked "FOR", and any number of votes in the boxes marked "AGAINST" and "ABSTAIN" shall be deemed to be invalid.

Where the "For" votes cast for a particular candidate for director are more than half of the total number of shares held by all shareholders attending (before cumulation) and where the "For" votes exceed the "Against" votes, the candidate in question will be considered to have been elected.
